**DEBUT-GRADE 8**

*The Original*  
**ROCKSCHOOL**  
~ EST. 1991 ~

Rockschool Guitar, Bass, and Drums returns with upgraded and refreshed repertoire across the suite of graded syllabuses! Think new Originals and new Hit Tunes, allowing you to learn, teach, and jam with your friends like never before.

## THE MUSIC!

Each Graded publication will contain nine tracks, expertly arranged and benchmarked per grade. Six of these tracks will be new Hit Tunes reflecting rock and pop's musical heritage in all its forms. We're also rolling out three new Rockschool Originals per grade. These arrangements have been written and performed by top session musicians who have worked with some of the biggest names in rock and pop, to recognise the nuances of each instrument and to celebrate the history of Rockschool.

## SHARED REPERTOIRE

Nothing beats jamming with friends or delivering group lessons. This unique release will see at least 6 shared pieces of repertoire per electric guitar, bass, and drums grade. All three Rockschool Originals and at least a further three Hit Tunes will be available as shared repertoire. While the exam format remains a solo effort, Rockschool Guitar, Bass and Drums will support instrument mastery and ensemble performance.
